WHEN I GROW UP I WILL BE:

A Pilot

MY NAME IS STIVIN SAMWEL AND I am 15 years old. I live with my parents and six siblings in our home we built ourselves made of sticks and mud.

My favorite subject is English and I enjoy playing football with my friends in the village. I want to be a pilot when I grow up because I like the idea of traveling and I also want to make money to support my big family. My favorite animal is the elephant because it is so big and strong. My favorite color is blue because I enjoy wearing it most and my favorite food is rice (our local version of stiff porridge) because it tastes good with anything!

I want to be a student at The Mungere School so I can be the first in my family to go to high school and achieve my dreams.
