MY NAME IS AGNESS ADAM AND I am 13 years old. I live with my mother and father in a mud house. I also have two sisters.

My favorite foods are rice and meat and my favorite color is red. My favorite animal is a zebra because they run fast. I like riding my bike and hanging out and dancing with my friends. I also like playing netball and football and my favorite team to cheer on is Real Madrid. My favorite subject is English and I would like to learn it as best I can.

My friends would best describe me as funny, smart and polite. I would like to go to Mungere Secondary School so that I can become a pilot because I would like to travel the world. I also like to listen to good music, so I think dancing is a great way for one to express themselves.
