MY NAME IS HAMISI ALHAJI AND I am 14 years old. I live in Mungere Village at home with my father and grandmother. I have a sister and a brother and I help around the house by washing dishes. My favorite color is blue and I like zebras!

My friends would describe me as nice, smart but also shy. My favorite food is makande, which we get to eat at school during lunch. I like playing football and hanging with my friends.

I like Mungere Secondary School because I know how hard it is to get an education and I want to work hard so I can have a better life for myself and my family.
